How many student spaces are you **realistically** expecting to need? Guys: _____ Girls: _____

How many adult chaperones will you be able to bring? Men: _____ Women: _____

(Remember - your goal is to have one adult for each 5-7 students of their gender)

*****For the safety of your students and for their spiritual support, we require 1 paid staff member from your church be present throughout the entire event. This staff person should be at least 21 years of age. Our preference would be that it is your church's youth leader. Because youth leaders are occasionally younger than 21, another adult chaperone along with that leader will suffice. Any chaperone plans that will not fall within these guidelines must be discussed with Mac Enfinger, MFUMC Senior Pastor.***

Are you planning on bringing any adults as chaperones that would make good work site leaders? (All adults will be on sites. We're looking here for any with specific construction skills who would like to be in a leadership position. We don't want any of them under-utilized.) If yes, please describe them:

Please send a \$100 Non-refundable Church Registration Fee in with this form by MARCH 1st.

COSTS & DEADLINES:

The cost for each participant is \$175. You may wish to ask your church to pay \$25 per participant for the materials fee. **The total cost per person is \$175.**

By APRIL 15th, you will need to pay a \$50 non-refundable deposit for all participants, youths and adults attending.

Your final balance and count will be due JUNE 1st.

FIRST AID & HEALTH: We will provide a first aid kit for every work site. You to be responsible for any medications your students bring.

All Asthmatics need to bring at least one inhaler of their meds and anyone with major allergies should bring an EpiPen.

LEADERSHIP: It is our prayer that all the participating churches would be willing to create a unified front, supporting, modeling and enforcing all of the policies presented on opening night.. We ask that everyone participate as fully as possible in all the activities planned.
